

myCSG © 2026 | [Area: ADaM Concept: C1006: ADaM BDS - Baseline Concepts](#) | [Lesson: ADaM_C1006_L101b - Creation of baseline flag, last record on or prior to treatment start - with time part](#)

Lesson Description

[Site](#) [SAS Program](#) [R Program](#)

Background

- In lesson [101](#), we have seen baseline derivation when only date components are available
- There can be cases, where we may have to consider the time components as well when deriving baseline flag

What is covered in this lesson

- In this lesson, we will see an example on how to derive baseline when time components also have to be considered
