| 002        |                  | Toxicity direction  | HIGH                                                                                                                                                                                                                                                                                                        |
| 003        |                  | Event description   | A finding based on laboratory test results that indicate higher than normal levels of the enzyme gamma-glutamyltransferase in the blood specimen. GGT (gamma-glutamyltransferase ) catalyzes the transfer of a gamma glutamyl group from a gamma glutamyl peptide to another peptide, amino acids or water. |
| 004        |                  | Grade 1             | >ULN - 2.5 x ULN if baseline was normal; 2.0 - 2.5 x baseline if baseline was abnormal                                                                                                                                                                                                                      |
| 005        |                  | Grade 2             | >2.5 - 5.0 x ULN if baseline was normal; >2.5 - 5.0 x baseline if baseline was abnormal                                                                                                                                                                                                                     |
| 006        |                  | Grade 3             | >5.0 - 20.0 x ULN if baseline was normal; >5.0 - 20.0 x baseline if baseline was abnormal                                                                                                                                                                                                                   |
| 007        |                  | Grade 4             | >20.0 x ULN if baseline was normal; >20.0 x baseline if baseline was abnormal                                                                                                                                                                                                                               |
| 008        |                  | Grade 5             | -                                                                                                                                                                                                                                                                                                           |
