

Order	Title	
110	Install an R package	https://mycsg.in/sasnr2.php?lesson=0110_Install%20an%20R%20package
120	Load an R package (library)	https://mycsg.in/sasnr2.php?lesson=0120_Load%20an%20R%20package
1000	Create Sample Data	https://mycsg.in/sasnr2.php?lesson=1000_Create_Sample_Data
1100	Create a copy of an existing dataset	https://mycsg.in/sasnr2.php?lesson=1100_Create_a_copy_of_an_existing_dataset
1200	Subset Observations	https://mycsg.in/sasnr2.php?lesson=1200_Subset-Observations
1300	Subset variables	https://mycsg.in/sasnr2.php?lesson=1300_Subset-variables
1400	Subset observations and variables	https://mycsg.in/sasnr2.php?lesson=1400_Subset-observations-and-variables
1500	Renaming variables	https://mycsg.in/sasnr2.php?lesson=1500_Renaming-variables
1501	Convert all the variable names to uppercase	https://mycsg.in/sasnr2.php?lesson=1501_validvarname_upcase
1600	Adding new variables	https://mycsg.in/sasnr2.php?lesson=1600_Adding-new-variables
1700	Appending datasets	https://mycsg.in/sasnr2.php?lesson=1700_Appending-datasets
1800	Merging datasets	https://mycsg.in/sasnr2.php?lesson=1800_Merging-datasets
1850	Merging datasets- select unmatched records	https://mycsg.in/sasnr2.php?lesson=1850_Merging-datasets--select-unmatched-records
1860	Merging datasets - cartesian product	https://mycsg.in/sasnr2.php?lesson=1860_Merging-datasets---cartesian-product
1865	conditional logic - case_when - ..default and missing values	https://mycsg.in/sasnr2.php?lesson=1865_conditional_logic_case_when_default_missing
1870	conditional logic - if_else	https://mycsg.in/sasnr2.php?lesson=1870_conditional_logic_if_else
1875	conditional logic - if_else - nested conditions	https://mycsg.in/sasnr2.php?lesson=1875_conditional_logic_if_else_nested
1900	Sorting observations	https://mycsg.in/sasnr2.php?lesson=1900_Sorting-observations
1901	Sort Order with Missing Values	https://mycsg.in/sasnr2.php?lesson=1901_Sort_Order_With_Missing_Values
2000	Fetching Frequencies	https://mycsg.in/sasnr2.php?lesson=2000_Fetching-Frequencies
2100	Descriptive statistics for numeric variables	https://mycsg.in/sasnr2.php?lesson=2100_Descriptive-statistics-for-numeric-variables
2110	Summarize Age by Treatment Group with Descriptive Statistics	https://mycsg.in/sasnr2.php?lesson=2110_summary_stats_by_treatment
2200	First dot concept	https://mycsg.in/sasnr2.php?lesson=2200_First-dot-concept
2210	Last dot concept	https://mycsg.in/sasnr2.php?lesson=2210_Last-dot-concept
2220	First dot and last dot concept	https://mycsg.in/sasnr2.php?lesson=2220_First-dot-and-last-dot-concept
2300	Handling duplicates	https://mycsg.in/sasnr2.php?lesson=2300_Handling-duplicates
2400	Transpose data - long to wide	https://mycsg.in/sasnr2.php?lesson=2400_Transpose-data---long-to-wide
2500	Transpose data - wide to long	https://mycsg.in/sasnr2.php?lesson=2500_Transpose-data---wide-to-long
2600	Arrays-repeat same logic on multiple variables	https://mycsg.in/sasnr2.php?lesson=2600_Arrays-repeat-same-logic-on-multiple-variables
2610	Arrays - Example - replace a text value in all character variables	https://mycsg.in/sasnr2.php?lesson=2610_Arrays---Example---replace-a-text-value-in-all-character-variables
2611	Arrays - Example - replace a value in all numeric variables	https://mycsg.in/sasnr2.php?lesson=2611_Arrays---Example---replace-a-value-in-all-numeric-variables
2612	Arrays - Example - replace a value in all numeric and character variables	https://mycsg.in/sasnr2.php?lesson=2612_Arrays---Example---replace-a-value-in-all-numeric-and-character-variables
2700	Retain first value of a subject onto other records	https://mycsg.in/sasnr2.php?lesson=2700_Retain_first_value_of_subject_onto_other_records
2701	Retain last non-missing value	https://mycsg.in/sasnr2.php?lesson=2701_Retain_last_non_missing_value
2702	Retain minimum score upto the current observation	https://mycsg.in/sasnr2.php?lesson=2702_Retain_minimum_score_upto_current_observation
2703	Retain maximum score upto the current observation	https://mycsg.in/sasnr2.php?lesson=2703_Retain_maximum_score_upto_current_observation
2705	Retain - Concatenate character results into a single value in a group	https://mycsg.in/sasnr2.php?lesson=2705_Retain_Concatenate_character_results_into_a_single_value
2810	Replicating the concept of usage of loops for dummy data creation	https://mycsg.in/sasnr2.php?lesson=2810_Replicating_usage_of_loops_for_dummy_creation

2900	Replicate PROC FORMAT Using Named Vectors in R	https://mycsg.in/sasnr2.php?lesson=2900_proc_format_named_vector
3001	Reading Files Using Path References	https://mycsg.in/sasnr2.php?lesson=3001_read_sas_files_using_path
3100	Character Functions	https://mycsg.in/sasnr2.php?lesson=3100_character_functions
3105	Compress or remove specific characters	https://mycsg.in/sasnr2.php?lesson=3105_compress-or-remove-specific-characters
3190	Count Missing Values in Selected Variables	https://mycsg.in/sasnr2.php?lesson=3190_count_missing_selected_vars
3191	Convert Between Character and Numeric Variables	https://mycsg.in/sasnr2.php?lesson=3191_character_numeric_conversion
3193	Keep Only Variables with Non-missing Values Across Dataset	https://mycsg.in/sasnr2.php?lesson=3193_keep_nonmissing_columns
3201	Apply Basic Numeric Functions	https://mycsg.in/sasnr2.php?lesson=3201_apply_basic_numeric_functions
3210	Round Numeric Values	https://mycsg.in/sasnr2.php?lesson=3210_rounding_values
3214	Cumulative Sum, Mean, and Product	https://mycsg.in/sasnr2.php?lesson=3214_cumulative_operations
3304	Extract Day, Month, Year, Weekday from Date	https://mycsg.in/sasnr2.php?lesson=3304_extract_date_parts
3407	Find Maximum Value Across Multiple Variables in Each Row	https://mycsg.in/sasnr2.php?lesson=3407_rowwise_max_from_multiple_columns
3601	Apply attributes to variables	https://mycsg.in/sasnr2.php?lesson=3601_apply_attributes_to_variables
3710	Mimicking the behavior of PROC CONTENTS	https://mycsg.in/sasnr2.php?lesson=3710_mimicking-the-behavior-of-proc-contents
3800	Compare datasets	https://mycsg.in/sasnr2.php?lesson=3800_compare-datasets
4010	Import data from Excel workbooks - CSV	https://mycsg.in/sasnr2.php?lesson=4010_import_excel_workbooks_csv
4015	Import data from Excel workbooks - XLSX	https://mycsg.in/sasnr2.php?lesson=4015_import_excel_workbooks_xlsx
4020	Import data from Excel workbooks - XLS	https://mycsg.in/sasnr2.php?lesson=4020_import_excel_workbooks_xls
4025	Export data to Excel workbook	https://mycsg.in/sasnr2.php?lesson=4025_export_data_to_excel_workbook
5100	Create a macro variable and use it in open code	https://mycsg.in/sasnr2.php?lesson=5100_mimicking_macro_variable_creation_and_usage
5103	Create a macro variable to store list of values and use it in open code	https://mycsg.in/sasnr2.php?lesson=5103_mimicking_macro_variable_creation_and_usage_list_of_values
8100	Get the list the files in a Directory/Folder to a dataset	https://mycsg.in/sasnr2.php?lesson=8100_list_files_in_directory
8110	List Files with Metadata: Size, Created and Modified Time	https://mycsg.in/sasnr2.php?lesson=8110_list_files_with_metadata
9105	Detach an R package (unload from session)	https://mycsg.in/sasnr2.php?lesson=9105_Detach%20an%20R%20package
9120	Remove objects from the environment (rm / remove)	https://mycsg.in/sasnr2.php?lesson=9120_Remove%20objects%20from%20environment
9310	Read or load multiple xpt files or sas datasets simultaneously into R	https://mycsg.in/sasnr2.php?lesson=9310_read-or-load-multiple-xpt-files-or-sas-datasets-simultaneously-into-r
9550	Run multiple programs from a single file	https://mycsg.in/sasnr2.php?lesson=9550_run-multiple-programs-for-a-single-file
